 Galleries & Art Centres

 Murals & Street Art Spaces

 Sculptures

South Australia's Mid North offers visitors a striking and deceptively diverse landscape and it's just an hour north of Adelaide. One minute you can be looking out over one of the Country's most historic mine sites, the next minute you could be wandering through vineyards or enjoying a delicious lunch in a character-rich country pub! The Mid North takes in the southern Flinders Ranges, the eastern coastline of the Spencer Gulf and includes thousands of acres of picturesque grasslands, bush and rolling hills under big open skies. The towns dotted throughout the region are oozing with great art, fascinating stories and rich history, all of which makes for a culture-filled adventure.
