

ART ON THE MOVE

(Established in 1986)

CONNECT - ENGAGE - UNDERSTAND - BELONG

ART ON THE MOVE encourages connections and fosters a sense of belonging, creativity and a greater understanding of ourselves and the world through visual art.

We do this by touring quality contemporary art with appropriate learning and development opportunities that speak to and develop the unique cultural narratives of communities whatever the cultural practice, age, ability, and engagement with culture.

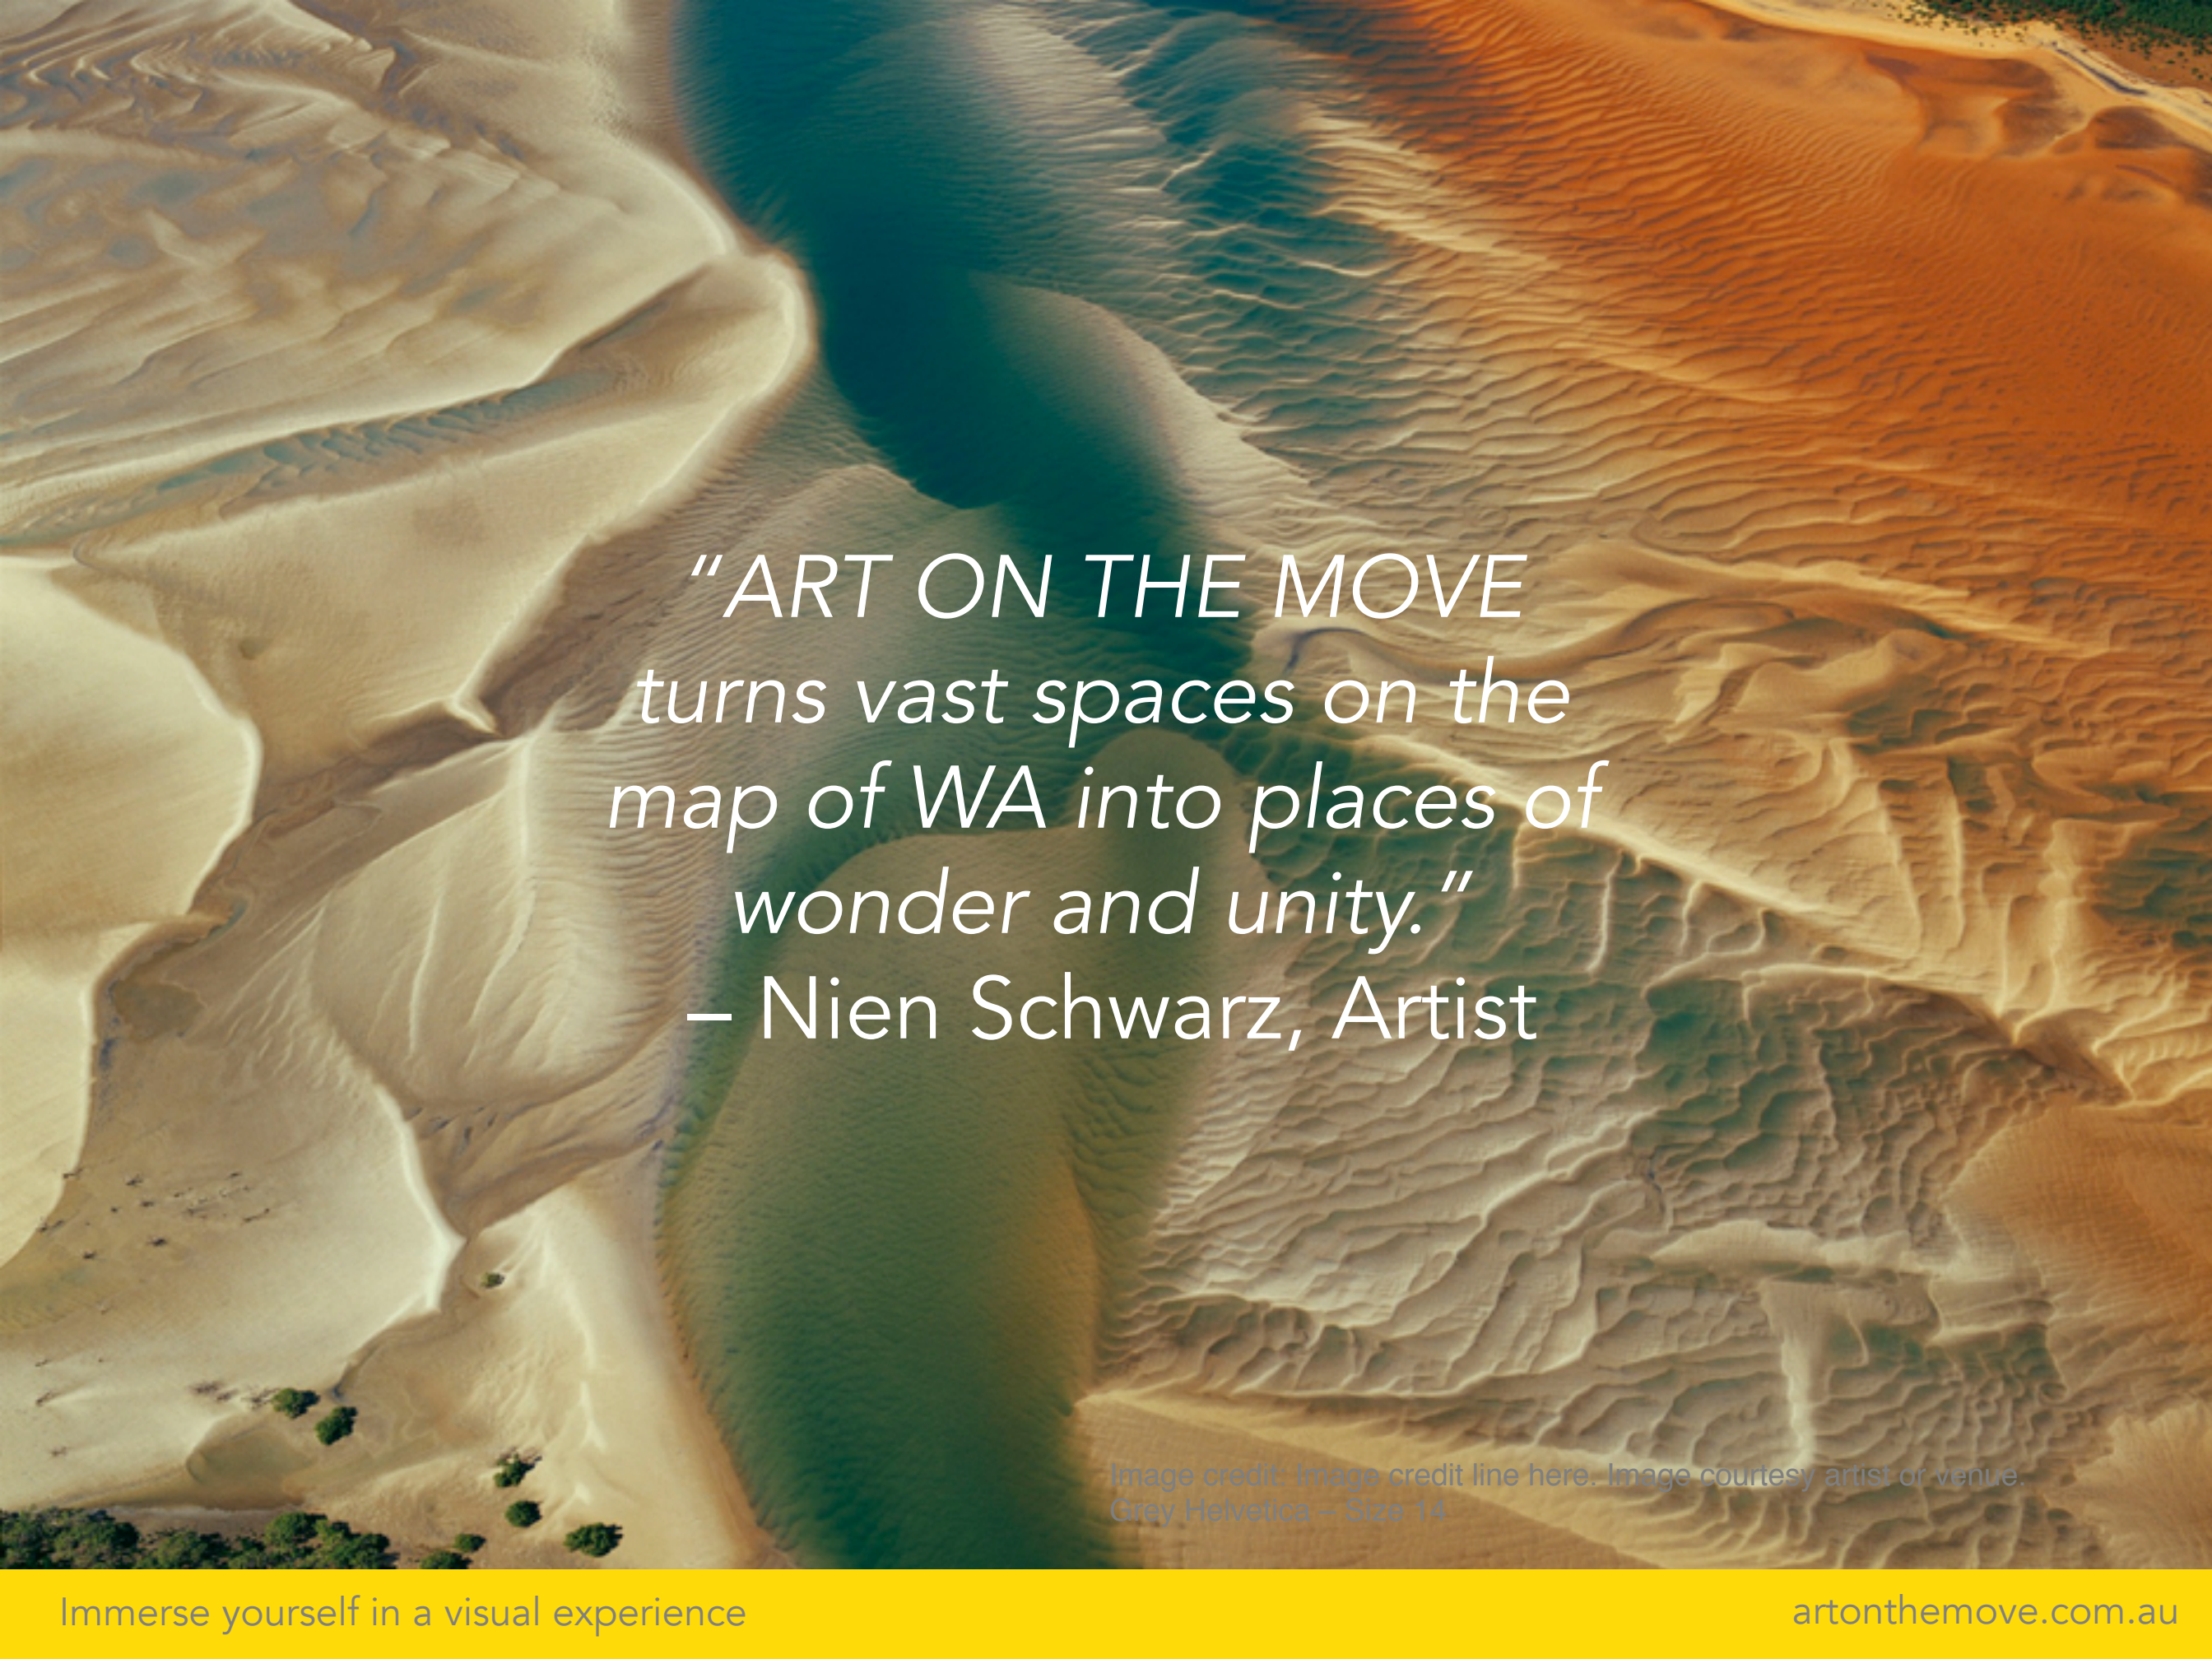

ART ON THE MOVE is Western Australia's only organisation dedicated to touring contemporary visual art exhibitions across the regions, interstate and beyond.

ART ON THE MOVE would like to acknowledge the traditional custodians of this land and pay our respects to the Elders both past, present and future, for their unique contribution to the cultural life in communities throughout Australia.

An aerial photograph of a vast desert landscape featuring large, undulating sand dunes. A prominent, winding water feature, possibly a salt lake or a dry riverbed, cuts through the dunes, displaying a vibrant blue-green hue. The sand is a mix of light beige and golden-brown tones, with intricate patterns of ripples and ridges. The overall scene is one of natural beauty and scale.
